S-HANDE is a high-end adult toy brand manufacturer integrating R&D, design, production, and sales. Since its establishment in 2014, it has focused on serving premium adult toy brands worldwide, supported by a strong R&D capability that delivers over 150 high-quality new products each year. S-Hand has become the top-selling manufacturer in the adult products category on Amazon and has been honored as Tmall' s "Annual Super Factory."

Over 10 Years of Independent R&D and 230+ Domestic and International Patents

With more than a decade of dedicated innovation, S-HANDE has built a team of over 50 R&D and design experts and holds more than 230 authorized patents. Several of its products have been shortlisted for prestigious international design awards such as the Red Dot Design Award and the iF Design Award. The company provides comprehensive ODM/OEM customization services covering the entire process from R&D and design to production for global clients.

International Quality Certifications and Global Popularity

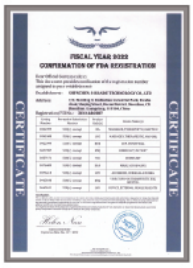

S-HANDE strictly adheres to the ISO9001 and ISO13485 international quality management systems. All products have passed authoritative third-party testing and obtained international certifications such as CE, ROHS, CE-RED, FDA, SGS, and UN38.3, as well as domestic Class I medical device and 3C certifications, ensuring both market access and top product quality worldwide.

Currently, the company operates a 15,000-square-meter modern facility, employs over 500 staff members, and ships more than 800,000 units per month. Its product portfolio includes over 1,000 private-mold products such as couple massagers, vibrators, eggs, and prostate massagers.

S-Hand will continue to strengthen cooperation with global partners in the OEM/ODM field and work together to build a bright future for the global high-end adult toy industry.
